Federal Aviation Administration

14 CFR Part 71

[Docket No. FAA-2021-0634; Airspace Docket No. 21-ACE-19]

RIN 2120-AA66

Amendment of Class D and Class E Airspace; Fort Leonard Wood, MO

AGENCY: Federal Aviation Administration (FAA), DOT.

ACTION: Final rule.

SUMMARY: This action amends the Class D and Class E airspace at Waynesville-St. Robert Regional Airport Forney Field, Fort Leonard Wood, MO. This action is the result of an airspace review caused by the decommissioning of the Maples very high frequency (VHF) omnidirectional range (VOR) as part of the VOR Minimal Operational Network (MON) Program.

DATES: Effective 0901 UTC, January 27, 2022. The Director of the Federal Register approves this incorporation by reference action under 1 CFR 51, subject to the annual revision of FAA Order JO 7400.11 and publication of conforming amendments.

ADDRESSES: FAA Order JO 7400.11F, Airspace Designations and Reporting Points, and subsequent amendments can be viewed online at https://www.faa.gov/air_traffic/publications/.

For further information, you can contact the Airspace Policy Group, Federal Aviation Administration, 800 Independence Avenue, SW, Washington, DC 20591; telephone: (202) 267-8783. FAA Order JO 7400.11F is also available for inspection at the National Archives and Records Administration (NARA). For information on the availability of FAA Order JO 7400.11F at NARA, email: fr.inspection@nara.gov or go to <https://www.archives.gov/federal-register/cfr/ibr-locations.html>.

FOR FURTHER INFORMATION CONTACT: Jeffrey Claypool, Federal Aviation

Administration, Operations Support Group, Central Service Center, 10101 Hillwood Parkway, Fort Worth, TX 76177; telephone (817) 222-5711.

SUPPLEMENTARY INFORMATION:

Authority for this Rulemaking

The FAA's authority to issue rules regarding aviation safety is found in Title 49 of the United States Code. Subtitle I, Section 106 describes the authority of the FAA Administrator. Subtitle VII, Aviation Programs, describes in more detail the scope of the agency's authority. This rulemaking is promulgated under the authority described in Subtitle VII, Part A, Subpart I, Section 40103. Under that section, the FAA is charged with prescribing regulations to assign the use of airspace necessary to ensure the safety of aircraft and the efficient use of airspace. This regulation is within the scope of that authority as it amends the Class D airspace, the Class E airspace area designated as an extension to a Class D surface area, and the Class E airspace extending upward from 700 feet above the surface at Waynesville-St. Robert Regional Airport Forney Field, Fort Leonard Wood, MO, to support instrument flight rule operations at this airport.

History

The FAA published a notice of proposed rulemaking in the *Federal Register* (86 FR 44674; August 13, 2021) for Docket No. FAA-2021-0634 to amend the Class D and Class E airspace at Waynesville-St. Robert Regional Airport Forney Field, Fort Leonard Wood, MO. Interested parties were invited to participate in this rulemaking effort by submitting written comments on the proposal to the FAA. No comments were received.

Class D and E airspace designations are published in paragraph 5000, 6004, and 6005, respectively, of FAA Order JO 7400.11F, dated August 10, 2021, and effective September 15, 2021, which is incorporated by reference in 14 CFR 71.1. The Class D and E airspace designations listed in this document will be published subsequently in FAA Order JO 7400.11.

Availability and Summary of Documents for Incorporation by Reference

This document amends FAA Order JO 7400.11F, Airspace Designations and Reporting Points, dated August 10, 2021, and effective September 15, 2021. FAA Order JO 7400.11F is publicly available as listed in the ADDRESSES section of this document. FAA Order JO 7400.11F lists Class A, B, C, D, and E airspace areas, air traffic service routes, and reporting points.

The Rule

This amendment to 14 CFR part 71:

Amends the Class D airspace at Waynesville-St. Robert Regional Airport Forney Field, Fort Leonard Wood, MO, by updating the name (previously Waynesville Regional Airport at Forney Field) of the airport to coincide with the FAA's aeronautical database; and replaces the outdated term of "Airport/Facility Directory" with "Chart Supplement";

Amends the Class E airspace area designated as an extension to a Class D surface area at Waynesville-St. Robert Regional Airport Forney Field by removing the Buckhorn NDB and associated extensions from the airspace legal description as they are no longer needed; removes the exclusionary language as it is no longer needed; updates the name (previously Waynesville Regional Airport at Forney Field) of the airport to coincide with the FAA's aeronautical database; and replaces the outdated term of "Airport/Facility Directory" with "Chart Supplement";

And amends the Class E airspace extending upward from 700 feet above the at Waynesville-St. Robert Regional Airport Forney Field by removing the Buckhorn NDB and associated extensions from the airspace legal description as they are no longer needed; and updates the name (previously Waynesville Regional Airport at Forney Field) of the airport to coincide with the FAA's aeronautical database.

This action is necessary due to an airspace review caused by the decommissioning of the Maples VOR, which provided navigation information for the instrument procedures this airport, as part of the VOR MON Program.

FAA Order JO 7400.11, Airspace Designations and Reporting Points, is published yearly and effective on September 15.

Regulatory Notices and Analyses

The FAA has determined that this regulation only involves an established body of technical regulations for which frequent and routine amendments are necessary to keep them operationally current, is non-controversial and unlikely to result in adverse or negative comments. It, therefore: (1) is not a "significant regulatory action" under Executive Order 12866; (2) is not a "significant rule" under DOT Regulatory Policies and Procedures (44 FR 11034; February 26, 1979); and (3) does not warrant preparation of a regulatory evaluation as the anticipated impact is so minimal. Since this is a routine matter that only affects air traffic procedures and air navigation, it is certified that this rule, when promulgated, does not have a significant economic impact on a substantial number of small entities under the criteria of the Regulatory Flexibility Act.

Environmental Review

The FAA has determined that this action qualifies for categorical exclusion under the National Environmental Policy Act in accordance with FAA Order 1050.1F, "Environmental Impacts: Policies and Procedures," paragraph 5-6.5.a. This airspace action is not expected to cause any potentially significant environmental impacts, and no extraordinary circumstances exist that warrant preparation of an environmental assessment.

Lists of Subjects in 14 CFR 71

Airspace, Incorporation by reference, Navigation (air).

Adoption of the Amendment

In consideration of the foregoing, the Federal Aviation Administration amends 14 CFR part 71 as follows:

PART 71 --DESIGNATION OF CLASS A, B, C, D, AND E AIRSPACE AREAS; AIR TRAFFIC SERVICE ROUTES; AND REPORTING POINTS

1. The authority citation for part 71 continues to read as follows:

Authority: 49 U.S.C. 106(f), 106(g); 40103, 40113, 40120; E.O. 10854, 24 FR 9565, 3 CFR, 1959-1963 Comp., p. 389.

71.1 [Amended]

2. The incorporation by reference in 14 CFR 71.1 of FAA Order JO 7400.11F, Airspace Designations and Reporting Points, dated August 10, 2021, and effective September 15, 2021, is amended as follows:

Paragraph 5000. Class D Airspace.

* * * * *

ACE MO D Fort Leonard Wood, MO [Amended]

Waynesville-St. Robert Regional Airport Forney Field, MO
(lat. 37°44'30"N., long. 92°08'27"W.)

That airspace extending upward from the surface to and including 3,700 feet MSL within a 4-mile radius of the Waynesville-St. Robert Regional Airport Forney Field. This Class D airspace area is effective during the specific dates and times established in advance by a Notice to Airmen. The effective date and time will thereafter be continuously published in the Chart Supplement.

Paragraph 6004. Class E Airspace Areas Designated as an Extension to a Class D or Class E Surface Area.

* * * * *

ACE MO E4 Fort Leonard Wood, MO [Amended]

Waynesville-St. Robert Regional Airport Forney Field, MO
(lat. 37°44'30"N., long. 92°08'27"W.)
Forney VOR
(lat. 37°44'33"N., long. 92°08'20"W.)

That airspace extending upward from the surface within 2.4 miles each side of the Forney VOR 318° radial extending from the 4-mile radius of Waynesville-St. Robert Regional Airport Forney Field to 7 miles northwest of the VOR. This Class E airspace area is effective during the specific dates and times established in advance by a Notice to Airmen. The effective date and time will thereafter be continuously published in the Chart Supplement.

Paragraph 6005. Class E Airspace Areas Extending Upward from 700 feet or More Above the Surface of the Earth.

* * * * *

ACE MO E5 Fort Leonard Wood, MO [Amended]

Waynesville-St. Robert Regional Airport Forney Field, MO

(lat. 37°44'30"N., long. 92°08'27"W.)

Forney VOR

(lat. 37°44'33"N., long. 92°08'20"W.)

That airspace extending upward from 700 feet above the surface within a 6.5-mile radius of Waynesville-St. Robert Regional Airport Forney Field and within 2.4 miles each side of the Forney VOR 318° radial extending from the 6.5-mile radius of the airport to 7 miles northwest of the VOR, excluding that airspace within the R-4501 Fort Leonard Wood, MO, Restricted Areas during the specific times they are in effect.

Issued in Fort Worth, Texas, on October 19, 2021.

Martin A. Skinner,

Acting Manager, Operations Support Group,

ATO Central Service Center.
